**CORRAL.** There is be plenty of space to stage your waiting athletes. Expand as necessary towards the track without impeding traffic.

**FIELD MARKERS, FLAG, PODIUM, GROUP SIGNS.** Martha will be in charge of a small army of Key Clubbers who will be setting up field markers, flags & podiums all over the stadium well before the start of the Games. Yours will be initially set out along the outside edge of the track. As soon as the opening ceremonies are over, move them over to establish the edges of your event, and to set off the positions and sections. The signs for the Groups assigned to you as their first Event will be delivered to you. Help arriving Group Leaders locate their signs.

**TRAFFIC FLOW.** We want to maintain a generous circuit completely around the track, consisting of the inner 3 lanes and a generous swath of the adjacent infield to accommodate travelers. It is your Event's responsibility to manage traffic flow in the vicinity of your Event.

**AFTER THE GAMES.** Detailed instructions (especially for decommissioning the flag) in "General Event Instructions", in the packet. Field markers will be picked up by the same team that deployed them. Police the field in your area absolutely spotless.

## **Track Surface Events**

Presented by the Kiwanis Club of Division 1234 Special Games

### **Special Instructions for:**

- All 4 Dash Events (10, 25, 50, 100 Yards)
- Flag Relay
- Tennis Ball Target

Your event is laid out on a section of the track surface that will be in use during the parade.

You can't set up till the parade has passed (of course!)

But you can work out all the logistics, get everything measured and staged, ready to go, as soon as the track is clear.

## **Using sand ballast to add weight to the pins**

The pins should be easy to knock over with a tennis ball, but not so light that they blow over in the wind.

1. To add a little weight to a pin ...
2. Uncover the hole at the bottom.
3. Press the funnel up tight against the hole and work in a little sand from one of the sandbags.
4. Tape the hole shut. That's it!
