**V**olunteers from the Kiwanis Club of Los Altos supported a record-breaking number of enthusiastic athletes at the Kiwanis Special Games Friday.

## Volunteers staff 35th Kiwanis Special Games

Local Kiwanis Clubs, including the Kiwanis Club of Los Altos, hosted the 35th annual Kiwanis Special Games May 17 on the newly renovated De Anza College track and field. More than 400 volunteers partnered to create a safe and celebratory environment for the record-setting 985 challenged Santa Clara County students who participated in the half-day event. No one is excluded from the Games, which showcase the students' abilities. Clockwise, from top: Athletes celebrate as they cross the 50-yard-dash finish line; athlete Teresa Vieyra carries her ribbons after the steeplechase event; Violet DiRubio tries her hand at the skittle bowl event; Isabelle Woodward runs the 100-yard dash as supporters cheer her on; athlete Daniel Night vies in the steeplechase with help from a volunteer; and Caleb Gulmon receives a high-five as he completes the 10-yard dash.
