## BOOSTERS T-SHIRTS

An important aspect of the Games that makes it so exciting for our young Athletes is the ceremony and pageantry of the event -- marching in the parade, hearing their names read out for all to hear as they pass the reviewing stand, the formality of the award ceremony after each contest.

One way to contribute to the sense of weight and importance is to have everyone involved clearly identified as part of the Athlete's team by going out of their way to **DRESS FOR THE EVENT!**

Everyone on the field should be in a Special Games T-Shirt. If you are a friend, coach, teacher, parent, care-giver, relative, or other supporter of an Athlete, please ask the child's teacher to include you in the Booster T-Shirt order.

**REMINDER!!** – Blue Booster shirts are **PERMANENT** -- they are undated, and will not change, so they can be worn year after year. If you have a shirt from prior years, please wear it and you won't have to pick one up on the Day of Special Games.

Booster T-Shirts are no longer available for pre-order but an abundant inventory will be available at Athlete Services beginning at 8:00 am on the Day of Special Games.
